Advanced materials cruise congress 2017

Dear Readers,

A very Happy New Year 2017!

International Association of Advanced Materials (IAAM, www.iaamonline.org) is pleased to announce cruise congress in Asia, Europe and America in year 2017 with collaboration of VBRI Press AB, Sweden (www.vbripress.com). The goal of congresses is to provide a global platform for researchers and engineers coming from academia and industry to present their research results and activities in the field of fundamental and interdisciplinary research of materials science and technology.

Asian Advanced Materials Congress (ASAMC, www.vbripress.org/asamc) will be held on the Diamond Princess Cruise Ship cruising from Singapore - Kuala Lumpur (Malaysia) - Penang (Malaysia) - Phuket (Thailand) - Singapore during 11-16 March 2017, Singapore.
