European Advanced Materials Congress (EAMC - 2017), Sweden

Dear Readers,

VBRI Press is pleased to announce 'European Advanced Materials Congress, (EAMC, www.vbripress.com/eamc) during 22 – 24 August 2017, Sweden. It is a three-day international event organised by International Association of Advanced Materials (IAAM, www.iaamonline.org), Linköping University and VBRI Press AB on the Baltic Sea cruising from Stockholm-Helsinki-Stockholm by the Viking Line Cruise M/S Mariella. The goal of congress is to provide a global platform for researchers and engineers coming from academia and industry to present their research results and activities in the field of fundamental and interdisciplinary research of materials science and technology.

The main topics of the congress:

- *Nanomaterials and Nanotechnology*
- *Biomaterials and Biodevices*
- *Energy and Harvesting Materials*
- *Structural Materials*
- *Computational Materials*
- *Composite and Ceramic Materials*
- *Environmental and Green Materials*
- *Science and Technology of Polymers*
- *Optical, Electronic and Magnetic Materials*
- *Constructional and Engineering Materials*

The congress will provide prime opportunity for the delegates to exchange their novel ideas and experiences with the international experts during the plenary and invited talks, oral presentations and poster sessions. We will also set up following three parallel symposiums with the EAMC 2017:

- *Global Graphene Forum*
- *Biosensors and Bioelectronics*
- *Nanogenerators and Piezotronics*

The program includes keynote forum, panel discussion and manufacturing projects negotiation.

Important dates:

Deadline of abstract submission: **30 January 2017**

Confirmation of abstract acceptance: **07 February 2017**

Registration starts: **20 December 2016**

Please submit your abstract by our online abstract submission system of the respective congress and circulate this information to your collaborators colleagues/ students/ institute/ University in order to encourage maximum number of participation.

Look forward to see you on board.

With kindest regards,

Ashutosh Tiwari, PhD, DSC

Chair, European Advanced Materials Congress
(EAMC - 2017), Sweden

Editor-in-Chief, Advanced Materials Letters
