# Sensors & Actuators Conference Series

Dear Readers,

International Association of Advanced Materials (IAAM, [www.iaamonline.org](http://www.iaamonline.org)) is pleased to announce Sensors & Actuators Conference Series in Asia, Europe and America with collaboration of VBRI Press AB, Sweden ([www.vbripress.com](http://www.vbripress.com)). The conference series are dedicated on the technology and systems in the field of sensors, actuators, microsystems and their developments, and major challenges in research & developments and markets.

**04 - 08 February 2018** | Royal Caribbean Cruise, Singapore  
Cruising from Singapore - Penang (Malaysia) - Singapore

For more information please visit [www.vbripress.com/amwc17](http://www.vbripress.com/amwc17)

#### PARALLEL EVENTS

- Advanced Materials World Congress
- Graphene & 2D Materials Conference
- Microfluidics and Nanofluidics Conference
- Green Materials & Technology Conference
- Drug Delivery & Tissue Engineering Conference
- Adhesive & Binder Conference
- Thin Films & Coating Materials Technology Conference
- Healthcare Materials & Medical Technology Conference
- Epoxy Resins & Sustainable Technology Conference

#### Organised & Sponsored by

Fig. 1. Leaflet of Sensors and Actuators conference 2018, Singapore.

**Call for abstracts is open** in the Sensors & Actuators Conference 2018, which is going to organize on the "Mariner of the Seas" cruising from Singapore - Penang (Malaysia) - Singapore during 04 - 08 February 2018. The organizers invite you to submit your abstracts through online abstract submission system and please encourage your collaborators/ colleagues/ students/ institute/ University to submit their abstracts by due date. Be part of "The World of Sensors & Actuators". 500+ Delegates from 80+ Countries meeting in 30+ Sessions, Symposiums & Exhibition.

**Click here to Submit Abstracts in the [Sensors & Actuators Conference](#)**, Singapore

Please read Call for Abstracts and **download abstract template**, [Sensors & Actuators Conference](#), Singapore

Sensors & Actuators Conference will run with the following topics:

- Chemical and Bio-sensors
- Actuators and Microsystems

- Analytical Microsystems
- Novel Analytical Devices
- Sensing Systems and Sensor-array
- Sampling, Separation and Detections
- Digital Sensors and Sensing Systems
- Mechanisms and Advancements in the Transducers and Recognition Elements
- Fundamentals and New Developments in the Sensing Methods and Sensors Technology

#### Special attractions

- Excellent speakers from industry and academia. It is a series of advanced materials cruise event where 15+ international symposiums are hosted in the single vessel. We explore interdisciplinary connections with areas of Sensors & Actuators.
- There is chance to visit two countries.
- Advanced Materials Awards, IAAM medals and Young Scientist awards will be privileged by the International Association of Advanced Materials.
- Amazing experience of cruise hospitality.

#### Highlights of activities

- Excellent Speakers
- Interdisciplinary Research Presentations
- Global Networking
- Strong Attendance from Industry and Academia
- Parallel Symposiums
- Industry Exhibition
- Training Courses
- IAAM Awards and Felicitation
- Amazing Experience of Cruise Hospitality
- Explore two of the Scandinavian Capitals
- Explore two countries
- Global Market
- Product Lunches

For more information about conference, please visit [www.vbripress.com/amwc17/pages/asian-sensors-and-actuators-summit](http://www.vbripress.com/amwc17/pages/asian-sensors-and-actuators-summit) and watch Advanced Materials Congress on [YouTube Chanel](#)

Look forward meeting with you!

With best regards
